Wilderness Camp Packing List

Sent 4 Weeks Prior to Check-In & 6 Days Prior to Check-In

Hello campers!

We are excited to have you at Wilderness Camp this year! To help you in your packing, our staff has composed a short list of recommended items to bring with you. Also, remember that Wilderness has transitioned over from tents to cabins! In the spring of 2015, we replaced the old tents with primitive camping cabins. The cabins have bunk beds, but no electric or air conditioning to maintain the primitive feel of Wilderness Camp. The sizing on the bunk beds is 28 by 72 inches long. We can't wait to see you!

Wilderness Camp Drop-Off Information

Sent 10 Days Prior to Check-In

We are excited to have you join us for Wilderness Camp!

As a reminder, you have two options for check-in. You may either drop your wilderness camper off at the Main Camp in Lakeville OR you may go directly to Wilderness Camp. Please choose the option that is most convenient for you. The Camp will provide transportation for your camper from Main Camp to Wilderness Camp.

The camp van leaves from Main Camp promptly at 4:00 PM, so be sure your camper arrives before then if you decide to drop off at the Main Camp. Wilderness check-in at Main Camp begins at 3:30 pm. If you are meeting the group at Wilderness, plan to arrive at 5:00 pm.

For pick-up on Friday, those riding the bus back to Main Camp should be picked up at 4:00 pm. If you are picking your camper up from Wilderness Camp, please arrive around 2:30 pm unless otherwise instructed by your dean. We will assume your camper is being dropped off and picked up from the same location unless we hear otherwise from you.

You were given the opportunity to select one of the two check-in locations when you signed up for camp. You may view your selection in your registration confirmation email which was sent to you after you signed up for camp. If you would like to change your selection, please email office@roundlake.org with your camper's name and drop-off location. If you had not made a selection during sign-up and are taking your camper directly to Wilderness Camp, please email office@roundlake.org to notify the camp no later than seven days prior to check-in. If we do not hear from you, we will assume you are dropping your camper off at Main Camp to ride the bus to Wilderness. Feel free to email us with any questions.

We look forward to a great week of camp!

Wilderness Camp Check-In Instructions

Sent 7 Days Prior to Check-In

Campers,

It is hard to believe camp is almost here! Our staff is excitedly preparing for your week of camp, and we can't wait for you to arrive at Round Lake. Many of you have been to camp before, but for those of you coming for the first time, we would like to take a moment to explain our check-in process to you. We want you to have a relaxed and enjoyable check-in, so here are a few tips to follow to make that happen:

What you can do before camp

- 1) **Verify your check-in time:** The check-in time is available both in your confirmation email and on our website.
- 2) **Pack:** A suggested packing list should have been emailed to you. If not, it is available under the FAQ section on our [website](#).
- 3) **Make sure your balance is paid:** To check your balance, simply log into your account on our website. Full payment is due 7 days prior to camper check-in. If you do not have an account or forgot your password, please email office@roundlake.org to check your balance.
- 4) **Decide on drop-off:** You may either drop your camper off at Main Camp or Wilderness Camp. If you have not done so already, please notify the camp of which option you are choosing not later than 7 days prior to camp.
- 5) **Remember food allergies:** If your child has a food allergy and you noted that on your registration, we have already notified our Wilderness kitchen staff. If you forgot to mark down a food allergy, please email office@roundlake.org today to add that note to your registration.
- 6) **Fill out medication form:** If your camper will be bringing medication, whether prescription or over-the-counter, click [here](#) to download the Camper Medication Form. Bring this form with you to check-in. Please DO NOT submit this form to the camp prior to check-in. You will drop this off directly during check-in. Blank copies of the form will also be available at check-in, but the form is available in advance as having it pre-filled will save you time during check-in.

What check-in looks like

- 1) **Turn in medications:** You will be instructed to turn any medications in to the volunteer camp nurse. Please have all medicine in the original container. We recommend placing this in a clear ziplock bag with your camper's name written on it. You will turn in your [Camper Medication Form](#) at this time.
- 2) **Fill out the Consent to Release form:** A volunteer or staff member will pass out Consent to Release forms as you wait in the check-in line. This does not have to be filled out by a parent but rather the individual dropping the camper off. It is simply a record of who is dropping off your camper.
- 3) **Receive a wristband:** Once your camper has successfully checked in, he or she will receive a wristband with a number. A corresponding wristband tab will be given to you with an identical number. Bring this with you to check-out at the end of the session. If someone else is picking up your camper, please give them the wristband tab as proof of your permission to pick up your camper at the end of the session. More information is provided on this subject at check-in.
- 4) **Enjoy a week of camp:** Congratulations! The check-in process is complete!

Check-out reminders for the end of your week

- 1) Be sure to bring the matching tab to your camper's wristband. You received this at check-in. If you have lost this, we ask you to provide a valid drivers' license for identification confirmation.
- 2) If you are picking your camper up at Wilderness Camp, please arrive at 2:30 pm on Friday unless otherwise instructed by your dean. For those picking campers up at Main Camp, plan to arrive at 4:00 pm.

If you have any questions, feel free to email office@roundlake.org. We look forward to seeing you soon!
