

ROUND LAKE CHRISTIAN CAMP

3RD & 4TH CAMP 3 JULY 19-21

OUR CAMP SESSION

Emotions are not always seen but sometimes felt or expressed through action. This week we will take a look at how we can see the **Fruit of the Spirit** and gain a better understanding of how to get the good fruit verses the bad fruit through understanding spiritual disciplines.

Our memory verse is: Romans 12:2 (NIRV) **"Don't live the way this world lives. Let your way of thinking be completely changed.** Then you will be able to test what God wants for you. And you will agree that what he wants is right. His plan is good and pleasing and perfect."

ABOUT YOUR DEAN

Melanie's Round Lake journey has taken her from camper to Dean. Melanie's favorite part of camp is all the lasting friendships she has from the years: "It is like a family reunion." She is the Children's Minister at Amazing Grace in Grove City.

Other Fun Facts: Favorite fruit is watermelon. Favorite camp activity is swimming in the lake. Favorite camp meal: Breakfast Sandwiches.

Freedom International Ministries: Alana Parsons

Alana Parsons is preparing for her **FIRST** full-time missionary service in the Dominican Republic. She will serve as an English Teacher at Freedom Christian School. Our goal is to help support Alana by giving her **\$1,500** between two camp sessions. This would be about \$10-20 per camper. itisforfreedom.com

THEME DAYS

Theme days are optional, but always added fun.

SUNDAY: Sporty Sunday
Wear your favorite sports team.

MONDAY: Movie Monday
Wear an outfit from your favorite movie

TUESDAY: Tropical Tuesday

3RD & 4TH CAMP 3 JULY 19-21

CHECK IN/OUT

Check in for camp begins at 5:30 pm Sunday. Dinner will be provided at camp and will be at 6:30 pm, please plan accordingly if your camper needs a snack prior to arrival.

Check out for camp begins at 4:00 pm Tuesday. When it comes time for pick up, you can arrive at 4:00 pm at your child's dorm. We are still in our camp activities until 4:00pm. If you arrive early, you can join us for our closing session, but **DO NOT** pick up your camper until they are in their dorms. Dorms will be locked, and inaccessible until pick up time. **There will be a secure check-out at your child's dorm; you will need to bring the matching wristband for pick up and sign the check-out form for pick-up.**

MEDICATIONS AND SPECIAL ISSUES

Please help us make this the best experience for your camper!

If your child takes daily medication, has sensory issues, or needs additional fidgets, please make sure you send it with them. This will help your child to stay focused and get the most out of their camp session. We are structured similar to a school day.

Additionally, if your child has behavioral or emotional issues that could impact their camp experience, or if you have any specific concerns, please email melanie@myagcc.org so we are able to prepare our leaders to give your child the best experience possible.

Any medications will be turned in at check-in to the camp nurse **IN THE ORIGINAL BOTTLES**. It will be your responsibility to pick them up at the end of camp.

FOOD ALLERGIES

We do have campers with food allergies. The camp staff knows of these allergies based on their registration.

If your camper has food allergies (not picky eaters), and you forgot to place that on the registration, please let our nurse know at check-in. You can also email melanie@myagcc.org to confirm we have their allergies listed.

We make sure that any camper with a food allergy gets the proper food provided for them by the camp, however, this is only with our knowledge of the allergy.

SWIM-TEST

Beginning at the 3rd and 4th Grade camp sessions, campers are able to take the deep water swim test so they can swim in the deep end.

Anyone regardless of age or occupation, even a Navy Seal, **must** take the deep water swim test if they have not passed it at Round Lake **this summer**. The test consists of swimming the length of the deep end as lifeguards line the division line. Though life jackets are required of **anyone** swimming in deep water during swim time, the test will be done without life jackets.

Campers do not have to take the swim test, and **we encourage you to talk with your campers before the camp**. Many campers at this age will not pass the swim test. Many campers at this age will not pass the swim test. Whether in the shallow or deep water, campers will have plenty of opportunities for fun at the lake.

If you prefer your child not to take the test, please let the dorm parent know at check-in.
