

Hello!

I hope you are getting excited for the BEST WEEK EVER at Round Lake! Our theme is “UNSEEN” and we will be focusing on the theme of light. Starting out with creation, we see the power and character of God when he creates the universe starting with, “Let there be light”. We then see that through teaching and miracles; Jesus is the light of the world. We then see a world in darkness as Jesus was crucified for our sins. But HE ROSE AGAIN, defeated death, and sent the Holy Spirit to be a guide in our lives. We will finish by sending our campers back to their regular lives with the message that they are now the light of the world. To help this be the best week ever for all of our students, I have a couple of pieces of information for you.

### 1. Check-in/Registration

Camper registration will begin on the Lodge side of camp on Sunday, July 12th beginning at 5:30 pm. At this time, campers will get a wristband, find out their cabin assignment, and give any medication that needs to be taken throughout the week to our camp nurse.

### 2. Dismissal

Dismissal begins at 2:00 on Friday, July 17th. We ask that you remain in the Lodge area and follow the instructions of Round Lake staff and volunteers on the check-out procedure.
