HELPFUL HINTS TO PREPARE BOTH PARENTS AND CAMPERS FOR A GREAT WEEK AT CAMP

EMAILS?

Be sure to include your email address on your registration form! You will receive emails with instructions and helpful tips to help you prepare for a great week of camp. Camper emails are also able to be viewed on our website: www.roundlake.org

PHONES?

Cell phones at camp are VERY distracting. In an effort to provide the best experience for all campers, please leave cell phones at home.

Thank You!

SEND YOUR CAMPER MAIL!

Campers LOVE receiving mail while at camp! As we rely on rural mail carriers, we cannot guarantee your mail will arrive on time, so please allow time for mail handling services. You may also choose to drop your mail off directly at camp during check-in to be delivered later in the session.

- INCLUDE THE CAMPER'S NAME AND THE NAME OF THE CAMP SESSION
- ROUND LAKE IS NOT RESPONSIBLE FOR MAIL DELIVERY IF NAME/SESSION IS MISSING.

NEED TO LEAVE EARLY?

To ensure the best camp experience, please leave your camper at the camp for the entire camp session. Leaving and returning during the week is strongly discouraged.

CAMP CHECK-IN SECRETS

Leaving your camper luggage in the car until you are checked in is a best kept secret around here. After you check in, grab your bags and head to the dorm rooms!

ROOM WITH A FRIEND?

What makes camp even better? Coming with a friend of course! You will have an option during registration to submit a roommate(s) request. If you missed it, don't worry! Go to our website and fill out the camper update form. We will try our best to accommodate your request!

NURSE!

Worried about your camper's health, medications or allergies while at camp? Don't be! You will have a chance to meet the volunteer nurse.

CAMP PICTURES

Each week of camp will have a group picture that is available for you to purchase or download.

Our photo site is:
www.roundlake.smugmug.com

***We do not hire a photographer for the summer. We rely on volunteer photographers taking pictures of all the action! As a result, not all camps will have the same quantity and quality of pictures. ***
