August 1, 2022

Dear Church Partners,

Thank you for your ongoing partnership with Round Lake Christian Camp. As you are one of the camp's ministry partners, we would like to share some resources with you. These are available through your partnership with the camp.

Round Lake participates in Brotherhood Mutual Insurance Company's Ministry Partner Program. Through the camp's involvement, a variety of resources are also available to our churches, whether or not your church works directly with Brotherhood Mutual. For links to some of those resources, visit roundlake.org. We highly encourage you to review these free online resources to determine which ones might benefit your specific ministry.

The camp has had a very positive experience in working with Brotherhood Mutual. Brotherhood Mutual is represented by independent agents, and the camp has chosen to work with agents through Miller Church Insurance, LLC. Their staff demonstrates Christian ethics while also promoting professionalism. As fellow Christians who participate in their own churches and ministries, the agents personally understand the needs and potential risks inherent in ministry. We appreciate working with agents who understand this perspective and support the purpose of our ministry. They offer a variety of insurance programs such as property and liability, mission travel, vehicle and worker's compensation. Beyond this, they also offer payroll services and risk management.

Risk management is increasingly critical not just for camps but also for churches and other ministries. By developing and following such a plan, you can reduce the risk of potential issues. This gives you more time to focus on your actual ministry rather than dealing with preventable problems. Beyond this, you are able to offer a safer space in which ministry can happen. To reward ministries, Brotherhood Mutual provides a Safe Ministry Reward Payment for adhering to such practices.

More information about Brotherhood Mutual can be found at www.brotherhoodmutual.com. To contact our agent, Jeff Miller, you can call 419-496-2439. If you are interested in learning more about Round Lake's experience working with this insurance provider, please feel free to contact the camp.

Blessings,

Lance Powers, Brianna Cooper-Risser, Ben Strouse and Sam Spence
