Dear Church Partners,

As many of you are already aware, Round Lake Christian Camp is a part of Brotherhood Mutual Insurance Company's Ministry Partner Program. Since you partner with our camp's ministry, we would like to take a moment to share our experiences in working with Brotherhood Mutual with you and some benefits that both the camp and our churches can receive from this partnership.

In today's world, it is increasingly important for camps, churches and other ministries to practice good risk management. In doing so, they are able to provide a safer space for their members and guests to worship and grow. Developing and following such a plan results in fewer losses to the ministry from an insurance standpoint, allowing your ministry to continue its work, unencumbered by issues that may otherwise be encountered.

As an insurance provider, Brotherhood Mutual offers our camp a Safe Ministry Reward payment when we adhere to such practices. The Ministry Partner Program does not affect insurance premiums, but it does benefit our churches when churches and ministries manage their risks well.

We have greatly appreciated working with Brotherhood Mutual. The company offers a variety of insurance programs to ministries, including property and liability, mission travel, vehicle and worker's compensation. In addition to insurance, Brotherhood also provides services in risk management and payroll services.

Finally, one of the greatest benefits of working with Brotherhood Mutual is the many free online resources they provide. On our website at [www.roundlake.org](http://www.roundlake.org), you can find links to some of those resources, available to our partnering churches whether or not your organization works with Brotherhood Mutual. These resources help educate your staff and volunteers on ways you can create and encourage safe ministry programs. I encourage you to check out those links on our website to see if your church might benefit from any of those resources.

Round Lake works with agents through Miller Church Insurance, LLC. Brotherhood Mutual is represented by independent agents, and we are proud to partner with Miller Church Insurance, LLC. Their staff members demonstrate both professionalism and Christian ethics. As fellow Christians, they understand the ministry perspective of our camp. Many of the agents also participate in churches or other ministries, giving them a personal understanding of the needs and potential risks involved in ministry. This increases their ability to serve our camp well.

If you want more information about Brotherhood Mutual, you can find it on the company's website, [www.brotherhoodmutual.com](http://www.brotherhoodmutual.com), or contact our agent, Jeff Miller, at 419-496-2439. I am also available if you want to talk about the camp's experience with Brotherhood Mutual.

Blessings,
