

ROUND LAKE CHRISTIAN CAMP CAMP 3 & 4 JULY 27-29 & JULY 30-AUG 1

OUR CAMP SESSION

This year we will look at the life examples of people in the Bible who feared less, many not completely fearless, but had more faith in God than in the circumstances. Each of our lessons will be surrounding Psalm 23 and looking at the aspects of how God lead them through the scary situation and was with them through it all.

Our memory verse this year is Psalm 23

ABOUT YOUR DEAN

Melanie has been at Round Lake as a camper, teen leader, dorm mom and currently serves as a Dean and on the Board of Directors. Melanie's favorite part of camp is all the long lasting friendships she has from the years; "It is like a family reunion."

She is the Children's Minister at Amazing Grace in Grove City.

Fun Facts: Favorite theme day is Bandana Day. Favorite camp activity is Water Zumba during staff swim.

Favorite camp meal: Breakfast Sandwiches and Pulled Pork.

Our mission this year is FILTER OF HOPE. Bringing clean water and Christ's love to those in desperate need of both. One filter cost \$50. Our goal for both sessions combined is to provide 30 filters to people in need. Students and Leaders will also get to experience drinking Dirty Water that has been filtered with one of the actual filters that is sent to others.

THEME DAYS

Theme days are optional, but always added fun.

SUNDAY: Silly Hat
MONDAY: Favorite Video Game/Board Game
TUESDAY: Bandana Day
WEDNESDAY: Wacky Sock
THURSDAY: Favorite Video Game/Board Game
FRIDAY: Favorite Color

CAMP 3/4 DEAN: MELANIE RINGLE

CAMP 3 & 4 JULY 27-29 & JULY 30-AUG 1

CHECK IN/OUT

Check in for camp begins at 5:30 pm Sunday/Wednesday. Dinner will be provided at camp and will be at 6:30 pm, please plan accordingly if your camper needs a snack prior to arrival.

Check out for camp begins at 4:00 pm Tuesday/Friday. When it comes time for pick up, you can arrive at 4:00 pm at your child's dorm; however, please do not arrive any earlier. We are still in our camp activities. If you arrive early, please wait in your vehicle to keep from interrupting our activities. Dorms will be locked, and inaccessible until pick up time. There will be a secure check-out at your child's dorm; you will need to bring the matching wristband for pick up and sign the check-out form for pick-up.

MEDICATIONS AND SPECIAL ISSUES

Please help us make this the best experience for your camper!

If your child takes daily medication, has sensory issues, or needs additional fidgets, please make sure you send it with them. This will help your child to stay focused and get the most out of their camp session. We are structured similar to a school day.

Additionally, if your child has behavioral or emotional issues that could impact their camp experience, or if you have any specific concerns, please email melanie@myagcc.org so we are able to prepare our leaders to give your child the best experience possible.

Any medications will be turned in at check-in to the camp nurse. It will be your responsibility to pick them up at the end of camp.

FOOD ALLERGIES

We do have campers with food allergies. The camp staff knows of these allergies based on their registration.

If your camper has food allergies (not picky eaters), and you forgot to place that on the registration, please let our nurse know at check-in. You can also email melanie@myagcc.org to confirm we have their allergies listed.

We make sure that any camper with a food allergy gets the proper food provided for them by the camp, however, this is only with our knowledge of the allergy.

SWIM-TEST

Beginning at the 3rd and 4th Grade camp sessions, campers are able to take the deep water swim test so they can swim in the deep end.

Anyone regardless of age or occupation, even a Navy Seal, **must** take the deep water swim test if they have not passed it at Round Lake this summer. The test consists of swimming the length of the deep end as lifeguards line the division line. Though life jackets are required of **anyone** swimming in deep water during swim time, the test will be done without life jackets.

Campers do not have to take the swim test, and **we encourage you to talk with your campers before the camp**. Many campers at this age will not pass the swim test. There are still many fun opportunities available to them if they cannot go in the deep water.

If you prefer your child not to take the test, please let the dorm parent know at check-in.
