

Greetings Campers and Parents!

In just a few weeks we will be gathering for RLCC Wilderness Camp. On behalf of the camp and staff I want to welcome you in advance. We very much look forward to seeing you again if you attended our camp last year. If this is your first year with us at wilderness camp, we look forward to meeting you. We love wilderness camp and have been serving at Round Lake wilderness camp for many years; it is one of the best, most blessed weeks of the summer.

We have been busy preparing for our week and making sure that nothing is forgotten so that we will have an awesome week together. We have been praying for you and for our week of camp since the day camp ended last year. Parents we covet your prayers for our campers and staff; please pray for safety and for the Lord's blessing to be on all.

You will also receive email from Round Lake with a suggested packing list and instructions. You will want to read this over as it has very good suggestions and will make the week more enjoyable for you.

My simple list, in more-or-less order of priority, includes: Bible, great attitude, water bottle, insect & Big Foot repellent, sunscreen, meds (nurses will keep these for you during the week of camp), bathing suit for bathing in the river, clothes (modest, sensible, comfortable; this is no fashion show), toiletries, comfortable shoes for hiking (lace up shoes, NO flip flops for hiking), water shoes (again not flip-flops, remember, bathing in the river with rocks and leaches and fish and such ☺), sleeping bag, pillow, camera optional, *cell phones & electronics are not needed*, flashlight, brownies for the Dean (optional, or is it?).

Some really exciting news, our mission for this year is Hands of Hope ministry. We will be collecting Bibles (Spanish version is best), and monies to purchase Bibles, to send to the people of the Dominican Republic. See attached for more info. Please share this with your families and churches in case there are others who might like to support this ministry.

Please pray for this ministry and come prepared to share in the ministry by bringing Spanish Bibles and/or monies to support the work.

Parents-please plan to bring your campers to wilderness camp at 5pm or slightly after. Prior to that time camp staff is finalizing all the last minute preparations and will not be ready to check-in campers.

We will be taking lots of pictures and some video during the week of camp and plan to make these photos available to campers and parents after camp. After camp we will send out a message explaining how and where you may access these photos and videos. If you do NOT want your camper to be included in any pictures, please alert the staff at check-in.

Please feel free to call, text, or email anytime with questions.
During the week of camp reception is limited so response may be delayed.

For emergency please call our mobile:
