

Jr Camp Week 4 Campers and Parents,

Camp is coming very soon and we can't wait! We definitely missed camp last year, and we are excited to be back this year. We have a great week planned and can't wait to see you.

Round Lake's theme this year is Journey, and we will be taking an Olympics approach since we are during the first week of the Summer Olympics, specifically looking at 1 Corinthians 9:24 where we are told to run a race where we get a crown that lasts forever.

We will be doing some great activities like axe throwing, fling golf, climbing the rock wall, laser tag, Round Lake Decathlon, Extreme Bingo, the blob, jet skis, and so much more! We have an awesome worship band to lead us, our speaker Brad Dodson who will challenge us each night, and other adults who are looking forward to spending a week with you!

One of traditions we do at our week is our mission auction. Our volunteer faculty bring a variety of items to auction off. We will have everything from pop, candy, snacks, and other great stuff, with all the proceeds going to missions. Our missionary this year is Megan Sheely with "Every Daughter Matters" in Ghana, Africa. We look forward to having her with us this year and glad we can support her. So make sure you bring money for the auction!

We ask that you be in prayer for our week of camp, pray that lives will be changed and that students will grow in their relationship with Jesus Christ.

In Him,

Jeremiah Stivers
