

Hands for Hope

Being the hands and feet of Jesus wherever he sends us.

Hands for Hope began serving in Azua Dominican Republic in 2009. They partner with Pastor Raul Aquino and ministry to the people of Azua. Raul is the pastor of Iglesia Cristiana de la Comunidad (Community Christian Church) and overseer of the school “Centro Evangelico El Prado”. In 2005 Hands of Hope was established to be able to serve and minister to the school and Azua Community more effectively.

Hands for Hope is a non-denomination ministry that facilitates and leads mission teams to Dominican Republic several times a year to share the love of Christ in many ways. The teams bring construction and building skills to provide better facilities. Teams also serve the church through teaching and interacting with the children.

Teams also serve with the community church within the local community in Dominican Republic Province of Azua by providing VBS, Medical outreach team opportunities, mentorship, Ladies outreach and skill training like sewing and cooking.

Hands for Hope supports their local community by supporting the homeless in Milwaukee Wisconsin by providing ministries that take the love of Christ thru food, clothing, and compassion ministries.
